# ABOUT US

Welcome to Kamicka. We are manufacturers of organic & natural products, based on recipes & ingredients steeped in India's Himalayan wellness systems. At our safe & sanitised facilities, we produce over 300 SKUs of natural beauty products, organic groceries & food specialties, worship items, essential oils and sustainable lifestyle items.

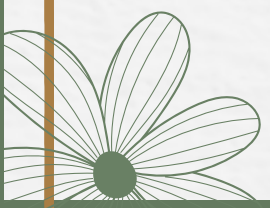

We aim to supply quality products made with pure ingredients & effective formulae, to select brands that understand our product ethos. Our team is professionally trained in filling, packaging and customised designing for our clients.

We support 45 farmers, women SHGs and local artists in procurement and production by sourcing organic & handcrafted materials from them directly. We have serviced over 20 B2B brands which a unique niche & eco-friendly product requirement. Trust us to give you premium, safe and market-loved products that will elevate your brand.
